

Visual Story

This is a visual resource to assist your visit to the theatre. This resource is intended to help prepare any visitors for a new experience and to help them to become familiar with the surroundings and situation.

Welcome to the Little Angel Theatre. This is a puppetry theatre for children and adults.

This is the front door of the theatre; you will walk through here and into the foyer.

The foyer is where the audience waits before the show begins, and during the interval. There is a box office, refreshment counter and shop on the right of the room.

There are benches that you can sit on before and after the show, and if there is an interval in the show. If you find that you need a break during the show you can come out and sit here.

The box office is where you can buy or collect your tickets for the show. This is a picture of the box office.

The refreshment counter is where you can buy drinks and snacks. You are also allowed to bring your own drinks and snacks to the theatre.

The toilets are situated on a corridor at the back of the foyer, they are on the right hand side.

Past the toilets there is a door that says 'no entry'.
You must not go through here.

You will see Ushers (helpers) dressed in black Little Angel Theatre t-shirts. Ask them if you need any help. They will let you know when it is time to go into the auditorium.

Once you have heard this you will go through this door into the theatre.

There will be an usher stood in a Little Angel Theatre black t-shirt who will take your ticket off you. They will rip off the end and give it back to you.

You can sit anywhere you like in the auditorium. This is where the show takes place. Before the show the auditorium will be busy and probably quite noisy as people are finding where to sit and getting ready for the show to start. Don't worry, everyone will soon sit down and be quiet.

When the show is about to start the lights in the auditorium will be turned off and it will become dark. Everyone will be quiet. You should also try to be as quiet as you can so that you don't miss any of the show.

When the show finishes the people on stage will bow. Everyone will clap and maybe even stand up to show that they are happy and that they enjoyed the show. You can clap too if you want to.

During the show you might hear the actors and puppeteers make a joke. You can laugh if you like.

During the show you might see something that makes you feel sad. You can feel sad if you like, that's okay.

After the show finishes the lights in the auditorium come back on and everyone will leave. It will be busy but you can always wait in your seat until everyone else has gone. If you need help just ask one of the ushers.

We hope that you enjoy your visit to
Little Angel Theatre.
