

Help Bertie get to Little Angel Theatre

Meet Bertie.

Bertie is a bottle.

He used to be full of sparkling water, but now he is empty inside and lives at the rubbish dump.

Although it is a little smelly, Bertie likes living at the dump. It is amazing to see all of the interesting things that humans throw away.

He needs your help to make it back to Little Angel Theatre.

Colour me in

How to travel:

To travel around the map Bertie needs help colouring on the train tracks and pit stops, all the way to Little Angel.

Colour in each as you do the action and Bertie will get closer and closer to Little Angel.

Travelling to LAT

With Bertie's help, we have put together a series of environmental actions you can do at home. Some of them are quick and easy, while others might take a bit more time or require assistance from an adult.

For each activity, there is a letter alongside it. When you see the letter on the map, you can colour in one of those sections.

Once you have completed the map, go back and colour in the rest.

Activity:

- Turn off the lights when you leave a room
- Pick up litter after yourself and others
- Have a Meat-free meal
- Use a reusable bag/Remind your parents to bring one
- Bring a reusable water bottle to school, or when you travel
- Donate old toys and/or clothes
- Walk or cycle to school
- Craft with one of LAT's videos, using recycled materials
- Help your parents sort and recycle the garbage
- Play outside
- Turn off the water when you're brushing your teeth
- Have a quick shower (Four minutes or less)
- Have a beach-cleaning day with your family
- Make a designated box or space for old batteries, lightbulbs and bottles.

Pit-stops

Before getting all the way to Little Angel Bertie will stop by many exciting places, like the rainforest and the sea.

Each pit stop, including your starting point at the dump, comes with its very own video, created by Bertie and his friends. You can find these videos by scanning the QR-code related to each pit stop, or by visiting Little Angel's YouTube channel.
