We particularly encourage applications from global majority performers, as well as those from other groups who are currently underrepresented in the puppetry sector.

Charlie Cook's Favourite Book

By Julia Donaldson and Axel Sheffler

Adapted by Barb Jungr and Samantha Lane

For everyone over the age of 3

Charlie loves reading. Especially books about pirates. But his sister Izzy hates it - it's boring! Can Charlie convince her that reading is fun? Perhaps if she read a book about a pirate, who is reading a book about Goldilocks, who is reading a book about a knight...

Come and delve into a range of books with Charlie Cook, brought to life with enchanting songs and puppetry, and perhaps you will be able to help Izzy discover the wonderful world inside a book...
